

# Talk Is Cheap

JMSN

Everybody's got somethin' to say  
But they ain't never shown me nothing  
They all waste their time just stuntin' on me  
Ain't nobody gonna get in my way  
See i ain't got to cheat the system  
I'm all good, i found my rhythm  
So, don't waste time tryna tell me  
What you think i want to hear  
Talk is cheap  
U got to show me its real  
Cuz i ain't got time to waste, no  
I don't sleep  
I think you know what the deal is  
So don't you feed that stuff to me  
Talk is cheap  
Said ain't it funny, how you get on my case?  
Pushing me beyond my limits  
Talking about numbers and digits  
Take your money and get outta my face  
I'm focused i got my vision. Go find someone tryna listen  
So don't you waste time tryna tell me  
What you think i want to hear oh baby  
Talk is cheap  
Talk is cheap. Got to show me its real  
Cuz i ain't got time to waste  
No i don't sleep  
I think you know what the deal is  
So don't you feed that stuff to me  
Talk is cheap  
Dont you know that talk is cheap  
So don't you waste your time on me  
I don't roll with wannabe's  
Don't you know that talk is cheap
