

# Genius

## Murmurs

She's got something to say to the world  
She wants to know if she could tie it up  
So it can't move, she is feeling inspired  
She said it's too cool for it's own good  
She's kinda freaky  
She's kinda weird  
She's kinda freaky  
But I don't know  
I think she's a genius  
If she could only just slow it up  
Then she could get out really quickly  
She thinks the chances are  
Pretty high, pretty high, pretty high  
She's kinda freaky  
She's kinda weird  
She's kinda freaky  
But I don't know  
I think she's a genius  
She had that slow motion thing happen  
And she wants to tell you about it  
But you know, you know, you know  
She does not trust you  
She knows all you are is lucky  
She's kinda freaky  
She's kinda weird  
She's kinda freaky...  
But I don't know  
I think she's a genius
