

# Start the Shooting

## A Day to Remember

Hey boys, look where we are  
This town ain't big enough for the both of us  
So get ready to run  
This all goes to show  
Just how little you really know  
About the way that we are I notice everything  
Like every single rumor  
That you spread today  
You're never gonna change  
Let's set this record straight  
I know all your dirty secrets  
That you kept from me  
This conversation's over  
Watch your step  
(Watch your step)  
This town can chew you up  
And spit you out  
So pardon me but you shouldn't be so proud  
Watch your step  
(Watch your step)  
This town can chew you up  
And spit you out  
So pardon me but you shouldn't be so proud You're all the same  
You think that everyone around you cares about what you think  
No one knows your name  
It's about that time  
Take everyone you know and get as far across my states line as you possibly can  
I notice everything  
Like every single rumor  
That you spread today  
You're never gonna change  
Let's set this record straight  
I know all your dirty secrets  
That you kept from me  
This conversation's over Watch your step  
(Watch your step)  
This town can chew you up  
And spit you out  
So pardon me but you shouldn't be so proud  
Watch your step  
(Watch your step)  
This town can chew you up

And spit you out  
So pardon me but you shouldn't be so proud Will they miss me when I'm gone?  
Will this time be for too long?  
Wait till then  
And see if time brings change  
Will they miss me when I'm gone?  
Will this time be for too long?  
Wait till then  
And see if time brings change (Watch your step)  
This town can chew you up  
And spit you out  
So pardon me but you shouldn't be so proud  
Watch your step  
(Watch your step)  
This town can chew you up  
And spit you out  
So pardon me but you shouldn't be so proud  
Watch your step  
(Watch your step)  
This town can chew you up  
And spit you out  
So pardon me but you shouldn't be so proud  
Watch your step  
(Watch your step)  
This town can chew you up  
And spit you out  
So pardon me but you shouldn't be so proud (Watch your step)  
So pardon me but you shouldn't be so proud  
(Watch your step)  
So pardon me but you shouldn't be so proud  
(Watch your step)  
(Watch your step)  
(Watch your step)
