

# Rhythm

## Major Lance

What's that sound?  
(That's rhythm)  
Everybody round  
(Got rhythm) There can be no beat  
(Without rhythm)  
Makes me wanna move  
My feet  
(That's rhythm) It's in my bones  
Anytime my music carries on  
I feel like rhythm If you like to dance  
(Get rhythm)  
This is your chance  
(For rhythm)  
I can't keep still  
With bongos playing  
And everybody feels that way It's in my bones  
Anytime the music carries on  
Oh, I feel like rhythm You can beat the drums  
Lord, if you wanna  
Let the bongos play  
And I dance all night Let the music flow  
Oh, I never wanna go  
Rhythm, rhythm, rhythm It's in my bones  
Anytime my music carries on  
Lord, I feel like rhythm  
You can beat the drum  
Lord, if you wanna  
Let the bongos play  
And I dance all night Let the music flow  
Oh, I never wanna go  
Rhythm, rhythm, rhythm It's in my bones  
Anytime the music carries on  
Lord, I feel like rhythm If you like to dance  
(Get rhythm)  
This is your chance  
(Get rhythm) I can't keep still  
(Get rhythm)  
Oh, I'm like the  
Rolling wheel
