

# You're So Cold

Mariah Carey

Lord only knows  
Why I love, why I love you so  
You're a heartless man, I don't understand  
Why you gotta be? Why you need to be so cold? So cold? So cold how can you be?  
So cold, so cruel to me  
Ice cold don't even feel  
Your kiss is like fire but deep down inside  
You're so cold You play games with my mind  
Cheat and lie time after time  
And I know you'll never change  
But I just can't break away no  
I don't know why I let you  
Treat me the way you do  
You're just no good for me  
I wish I never fell for you, you are So cold how can you be?  
So cold, so cruel to me  
Ice cold don't even feel  
Your kiss is like fire but deep down inside  
You're so cold, so cold So many times  
You keep me waiting around endlessly  
You just laugh as I drown in despair  
Never a worry, never a care I don't know why I let you hurt me  
The way you do  
You've got a spell on me  
I'm hopelessly in love with you  
So cold how can you be?  
So cold, so cruel to me  
Ice cold don't even feel  
Your kiss is like fire but deep down inside  
You're so cold So cold how can you be?  
So cold, so cruel to me  
Ice cold don't even feel  
Your kiss is like fire but deep down inside  
You're so cold Made of stone  
Oh you're wicked to the bone  
I give you my heart you tear me apart  
You're like a devil in disguise Oh so cold So cold how can you be?  
So cold, so cruel to me  
Ice cold don't even feel  
I can wait another day  
I can wait to break away So cold how can you be?  
So cold, so cruel to me

Ice cold don't even feel  
Your kiss is like fire but deep down inside  
You're so coldSo cold  
So cold  
Ice cold  
Your kiss is like fire but deep down inside  
You're so cold
