

# I Miss My Friend

[Darryl Worley](#)

I miss the look of surrender in your eyes  
The way your soft brown hair would fall  
I miss the power of your kiss when we made love  
Oh, but baby most of all  
I miss my friend The one my heart and soul confided in  
The one I felt the safest with  
The one who knew just what to say  
to make me laugh again  
let the light back in  
I miss my friend I miss the colors that you brought into my life  
Your golden smile with those blue-green eyes  
And I miss your gentle voice  
in lonely times like now  
sayin' it'll be alright  
I miss my friend  
The one my heart and soul confided in  
The one I felt the safest with  
The one who knew just what to say  
to make me laugh again  
let the light back in  
I miss my friend I miss those times  
I miss those nights  
I even miss our silly fights  
The makin' up, the mornin' talks  
And those late afternoon walks  
I miss my friend The one my heart and soul confided in  
The one I felt the safest with  
The one who knew just what to say  
to make me laugh again  
let the light back in  
I miss my friend  
I miss my friend  
I miss my friend  
Mmmm...  
I miss my friend
