

First Kiss On Mars

Stone Temple Pilots

Take a risk and listen to the radio
Click your heels at the bi-polar disco
Fly down the villa destination sign
Everybody feels the days but waits for summer nights Boy meets girl
They might drive in modern love Can we really find
Love, the magic place we dream of
Super magic robots set the
Solar system free
Reel over, reel over and over
Reel over, reel over Take a risk and listen to the radio
Click your heels at the bi-polar disco
Fly down the villa destination sign
Everybody feels the days but waits for summer nights Boy meets girl
They might drive in modern love Can we really find
Love, the magic place we dream of
Super magic robots set the
Solar system free
Reel over, reel over and over
Reel over, reel over and over Reel over, reel over and over
Reel over, over and over again
