

Ordinary Day

Vanessa Carlton

Just a day, just an ordinary day
Just trying to get by
Just a boy, just an ordinary boy, but
He was looking to the sky and
As he asked, if I would come along
I started to realize
That everyday he finds, just what he's lookin' for
Like a shooting star, he shines
And he said Take my hand
Live while you can
Don't you see your dreams lie right
In the palm of your hand
And as he spoke, he spoke ordinary words
Although they did not feel, no
For I felt what I had not felt before
And you'd swear those words could heal, and
As I looked up into those eyes
His vision borrows mine
And I know he's no stranger
For I feel I've held him for all of time, and he said Take my hand
Live while you can,
Don't you see your dreams lie right
In the palm of your hand
Right in the palm of your hand Please come with me
Please come with me
Take my hands
So time will not flee
Time will not flee
Can't you see
Just a dream, just an ordinary dream
As I wake in bed
And the boy, that ordinary boy
Was it all in my head
Did he asked, if I would come along
It all seemed so real
But as I looked to the door
I saw that boy, standing there with a deal, and he said Take my hand
Live while you can
Don't you see your dreams lie right
In the palm of your hand
Right in the palm of your hand
Right in the palm of your hand Just a day, just an ordinary day

Just tryin' to get by
Just a boy, just an ordinary boy, but
He was lookin' to the sky
