Ordinary Day

Vanessa Carlton

Just a day, just an ordinary day
Just trying to get by
Just a boy, just an ordinary boy, but
He was looking to the sky and
As he asked, if I would come along

I started to realize

That everyday he finds, just what he's lookin' for

Like a shooting star, he shines

And he saidTake my hand

Live while you can

Don't you see your dreams lie right

In the palm of your hand

And as he spoke, he spoke ordinary words

Although they did not feel, no

For I felt what I had not felt before

And you'd swear those words could heal, and

As I looked up into those eyes

His vision borrows mine

And I know he's no stranger

For I feel I've held him for all of time, and he saidTake my hand

Live while you can,

Don't you see your dreams lie right

In the palm of your hand

Right in the palm of your handPlease come with me

Please come with me

Take my hands

So time will not flee

Time will not flee

Can't you see

Just a dream, just an ordinary dream

As I wake in bed

And the boy, that ordinary boy

Was it all in my head

Did he asked, if I would come along

It all seemed so real

But as I looked to the door

I saw that boy, standing there with a deal, and he saidTake my hand

Live while you can

Don't you see your dreams lie right

In the palm of your hand

Right in the palm of your hand

Right in the palm of your handJust a day, just an ordinary day

Just tryin' to get by Just a boy, just an ordinary boy, but He was lookin' to the sky Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
