

# Like a Prayer (feat. Jonathan Groff)

## Glee Cast

Life is a mystery, everyone must stand alone  
I hear you call my name and it feels like home...When you call my name it's like a little prayer  
I'm down on my knees, I wanna take you there  
In the midnight hour, I can feel your power  
Just like a prayer, you know I'll take you there I hear your voice, it's like an angel sighing  
I have no choice, I hear your voice  
Feels like flying  
I close my eyes, oh God, I think I'm falling  
Out of the sky, I close my eyes  
Heaven help me When you call my name it's like a little prayer  
I'm down on my knees, I wanna take you there  
In the midnight hour, I can feel your power  
Just like a prayer, you know I'll take you there  
I'm like a child, you whisper softly to me  
You're in control, just like a child  
Now I'm dancing  
It's like a dream, no end and no beginning  
You're here with me, it's like a dream  
Let the choir sing When you call my name, it's like a little prayer  
I'm down on my knees, I wanna take you there  
In the midnight hour, I can feel your power  
Just like a prayer, you know I'll take you there  
When you call my name it's like a little prayer  
I'm down on my knees, I wanna take you there  
In the midnight hour, I can feel your power  
Just like a prayer, you know I'll take you there Oh, oh  
Oh, oh
