

# RICKY

## Denzel Curry

[Pre-Chorus]

First they knockin', now they hoppin'  
All on the wave 'cause they see me poppin'  
Big large pockets, they start flockin'  
Here's what I say when they ass keep knockin'[Chorus]  
My daddy said, "Trust no man but your brothers  
And never leave your day one's in the gutter"  
My daddy said, "Treat young girls like your mother"  
My momma said, "Trust no hoe, use a rubber"[Verse 1]  
I'ma act, one, two, stop the track, bring it back, what it do  
See Ricky said "Never let nobody get the one up on you"  
If they run up on you, hit 'em with a one, two  
Or a bitch slap, leave the cul-de-sac you're brothers gon' have your back regardless  
And stick with your day one homies that was here before you started  
And fear no man, but the man above your head  
Pray before you got to bed, everything my momma said

[Pre-Chorus]

[Verse 2]  
And your momma ain't shit, your daddy ain't shit  
And I been makin' waves way before Nostalgic  
That was back in Carol City yeah, when I was just a jit  
With the all black faded Dicky with the Raider fit  
That was it, we was lit, y'all wasn't even shit yet  
We was Three 6, Wu-Tang mixed with Dipset  
Ricky used to take me to my first shows ever  
Would only drop jewels way before they dropped cheddar[Pre-Chorus]

First they knockin', now they hoppin'  
All on the wave 'cause they see me poppin'  
Big large pockets, they start flockin'  
Here's what I say when they ass keep knockin'[Chorus]

My daddy said, "Trust no man but your brothers  
And never leave your day one's in the gutter"  
My daddy said, "Treat young girls like your mother"  
My momma said, "Trust no hoe, use a rubber"  
My daddy said, "Trust no man but your brothers  
And never leave your day one's in the gutter"  
My daddy said, "Treat young girls like your mother"  
My momma said, "Trust no hoe, use a rubber"
