

# Pass Me the Green (feat. Migos)

## Berner

Pass me the green, I need some weed with my Hennessy  
Pass me the green, I need some weed with my Hennessy  
Double shot of Henn, I need some

Pull up in Atlanta with Berner, that burner on me  
What the fuck do you mean? Quavo ballin', Rasheed  
Trappin' big birds, I got 'em off of Sesame Street  
Mob ties, [?] the [?], that's what I go by  
And the lean double sealed, pour the whole thing in the soda  
Won't fall away, my nigga, pull up and do a drive by  
Charge me with gang activity, you seen that shit on Fox 5  
Smokin' OG gas bag in my matte black Jag  
Maison Margiela, my foot on the gas  
Gold on my neck, but I'm not Trinidad  
I walk in the mall, I'm not checkin' the tags  
[?], got a paper tag  
Trunk locked so a nigga be trafficking  
Double cup [?] Actavis  
I had a cuban link before this rappin' shit  
Niggas don't really want beef, they be squashin' it  
Berner like OG gas bag with his Hennessy  
Pourin' up, Peach Cris with my Actavis  
And my diamond chain rain dancin'  
Wildin' out like I'm Nick Cannon  
My nigga trappin' Mariah Carey  
Mask on like Jim Carrey!

Pass me the green, I need some weed with my Hennessy  
Pass me the green, I need some weed with my Hennessy
