

Nexus

Dan Fogelberg

Across the vein of night
There cuts a path of searing light
 Burning like a beacon
 On the edges of our sight
At the point of total darkness
And the lights divine divide
A soul can let its shadow stretch
 And land on either side --
either side. And balanced on the precipice
 The moment must reveal
 Naked in the face of time
 Our race within the wheel
As we hang beneath the heavens
 And we hover over hell
Our hearts become the instruments
 We learn to play so well.
Wealthy the spirit that knows its
 own flight
 Stealthy the hunter who slays
 his own fright
Blessed the traveler who journeys
the length of the light. Outside the pull of gravity
 Beyond the spectral veil
 Within our careful reasoning
 We search to no avail
For the constant in the chaos
For the fulcrum in the void
 Following a destiny
 Our steps cannot avoid.
Across the vein of night
There cuts a path of searing light
 Burning like a beacon
 On the edges of our sight
At the point of total darkness
And the lights divine divide
A soul can let its shadow
Stretch and land on either side. Wealthy the spirit that knows its
 own flight
 Stealthy the hunter who slays
 his own fright
Blessed the traveler who journeys
the length of the light. In a spiral never-ending

Are we drawn towards the source
Spinning at the mercy of an
unrelenting force
So we stare into the emptiness
and fall beneath the weight
Circling the Nexus in a
fevered dance with fate --Wealthy the spirit that knows its
own flight
Stealthy the hunter who slays
his own fright
Blessed the traveler who journeys
the length of the light.
