

# Chippin' In (feat. Refused)

## SAMURAI

C-can you feel it?  
Can you touch it? Get ready 'cause here we go  
C-can you feel it? Can you touch it? Get ready 'cause here we go It's all invading vital force  
Wants back what I'm hunting for  
It's the animal within my blood  
Would have stopped it, if I could  
Sing this song, I'm chippin' in  
Broke the bones, I'm chippin' in  
With the coat, I'm chippin' in  
May have froze Not backing down  
Never backing down  
Not backing down  
Yeah!  
C-can you feel it?  
Can you touch it? Get ready 'cause here we go  
C-can you feel it?  
Can you touch it? Get ready 'cause here we go  
Yeah! Suits run when I come undone  
Can't kill me, I'm zero and one  
Add justice to the people's math  
Blaze your way down the rebel path  
Hear my call, I'm chippin' in  
Total war, I'm chippin' in  
Casings fall, I'm chippin' in  
Kill them all! Not backing down  
Never backing down  
Uh!  
C-can you feel it?  
Can you touch it? Get ready 'cause here we go Yeah!  
Yeah!  
Yeah!  
Oh, yeah!  
Come on! C-can you feel it?  
Can you touch it? Get ready 'cause here we go  
C-can you feel it?  
Can you touch it? Get ready 'cause here we go
