

# The Difference

[Tyler Rich](#)

I'm tired of sleeping on us  
I'm over dodging this crush  
I'm sick of waiting ten minutes just to text you back  
So you don't get to thinkin' that I'm too attached  
I'm more than benefit friends  
I'm more than just a weekend binge  
I want you to be my hottie riding shottie,  
I don't want nobody's body but your body, babe  
All I'm tryna say is
