

Snapshot

RuPaul

here and there, everywhere
the places that i go people stop and they stare
i'm beautiful, that i know
i am quite a sight to beholdhey now, hey now now
i want you to remember me being who i wanna be
hey now, hey now now
turn it on, then you'll see everybody look at mesnapshot
take my picture snapshot
let me show what i got
red hot
take my picture red hot
take it over the top
photograph, video
catch me while you can cause i gotta go
hollywood, sunset strip
living in the spotlight can be such a triphey now, hey now now
take it on my good side, don't wanna be on my bad side
hey now, hey now now
i ain't never been shy, ain't got nothin' to hidesnapshot
take my picture snapshot
let me show what i got
red hot
take my picture red hot
take it over the top
say baby, uh, you got some film in that camera
or are you just happy to see me?hey now, hey now now, click click
hey now, hey now now, click click
