

Sinking Like a Sunset

Tom Cochrane

shes thinking about
the prince and cinderella
the outlaws the hustlers and the heroes
that never seem to fall
it doesnt matter, it doesnt matter what the outcome of the story is
cause in real life, i try to tell her, its not like that at allo wont you please, just hold out now
cause theres some thing id like u to forget
when ur world is
sinkin like a sunsettales of don juan, theyre very poetic babe
but out on the streets out there, the true verse of life is written
you know its really a shame when u got to let go of all the things u love
like a fighter, he really bleeds when he must
hang up his gloves
no im not a rock, and i can feel it now
but for a moment id like u to forget
that our hearts are
sinkin like a sunsetno no no no no no nooooo sinkin like a sunset (x3)
no no no no no no nooooo sinkin like a sunset
no no no no no no no
oeverybody has a story, some are tragic and some find glory
but it feels more real when ur here, right next to me
no no no no no nou can walk to far out on that ledge, and u might lose your mind
u know i need u know, ur my angel that keeps me in line
the old sargent has spoken out, hes grown senile, he shouts
"kill the bastards in the night" cause hes all out of time
but dont hold back, lets make love right now
cause theres some things id like ya to forget
that my heart is
sinking like a sunset
o wont ya hold me now and make tings alright
cause when ur with me here the sun comes out at night
making me forget
were sinkin like a sunsetno no no no no no nooooo sinkin like a sunset (x6)
