

# On Your Body (feat. Meet Sims)

## Chinx

Fuck them niggas baby you gone love me  
Got you back to back all in Ferraris  
Know you linking with Young Abu Dhabi  
Don't you worry girl, I'm on your body  
Tell your nigga that you'll see him later  
(?) got you ballin', got you (?) later  
Girl I know you know you linking with Young Abu Dhabi  
Don't you worry girl, I'm on your body I got money on my line, you know that shit callin'  
Put (?) in the ride and let her whip foreign  
If you talkin' bout my bitch yea, that's a different story  
Nigga talkin' bout the trivia, that's a another story  
And shawty gettin' high, you know (?) way up  
Average nigga ain't gonna get it, gotta get his weight up  
Niggas shinin' like a diamond, all them niggas flawless  
And if Dochi got a lot of (?)  
Get that money, motherfuck a hater  
Tell your nigga bye, you'll see him later  
Pull a Porsche then we pull a Wraith  
Shawty leavin' with me and an ultimatum All we do is count this money, get to the bank  
I be slidin' on them lames like a (?)  
Never pay attention to 'em, I just let 'em hate  
Me and shawty be burning weed up by the fireplace  
They be tryna find out any reason just to fade us  
Make it look like we ain't never stressin' and we paid up  
I ain't never trip but you the only one that's flawless  
Got the thing wetter than the floods up in New Orleans Tell the truth, doin' it like we stressin'  
We be stylin' on 'em, super flexin'  
Never mind the price, no need to check it  
You know you my baby, ain't no second guessin'  
Fuck them niggas baby you gone love me  
Got you back to back all in Ferraris  
Know you linking with Young Abu Dhabi  
Don't you worry girl, I'm on your body  
Tell your nigga that you'll see him later  
(?) got you ballin', got you (?) later  
Girl I know you know you linking with Young Abu Dhabi  
Don't you worry girl, I'm on your body  
Don't you worry girl, I'm on your body  
Don't you worry girl, I'm on your body  
Don't you worry girl, I'm on your body
