

Stuck on U (feat. BenZel)

Tory Lanez

Cause I can't breathe
without you,
and I'll never let you go,
see I can't leave without you,
and I just want you to know that I'm stuck on you (you, you)
that im stuck on you
(you, you)
that I'm stuck on you
cause I can't breathe
without you
and I'll never let you go,
see I can't leave without you,
and I just want you to know that I'm stuck on you (you, you)
that im stuck on you
(you, you)
cause I can't breathe
without you and I'll never let you go,
see I can't leave without you,
and I just want you to know that I'm stuck on you (you, you)
that im stuck on you
(you, you)
that im stuck on you
