

# Cat People (feat. Marilyn Manson)

## Shooter Jennings

See these eyes so green  
I can stare for a thousand years  
Colder than the moon  
It's been so long Feel my blood enraged  
It's just the fear of losing you  
Don't you know my name  
Well, you been so long  
And I've been putting out fire  
With gasoline See these eyes so red  
Red like jungles burning bright  
Those who feel me near  
Pull the blinds and change their minds  
It's been so long  
It's been so long  
Still this pulsing night  
A plague I call a heartbeat  
Just be still with me  
Ya wouldn't believe what I've been thru  
You've been so long  
Well it's been so long  
And I've been putting out fire with gasoline  
Putting out fire with gasoline See these tears so blue  
An ageless heart that can never mend  
These tears can never dry  
A judgement made can never bend  
See these eyes so green  
Yeah, I could stare for a thousand years  
Just be still with me  
You wouldn't believe what I've been thru  
Yeah, you've been so long  
Well, it's been so long  
And I've been putting out fire with gasoline  
Putting out fire with gasoline  
It's been so long  
It's been so long  
It's been so long  
It's been so long  
It's been so long  
It's been so long  
I've been putting out fire  
(It's been so long)  
It's been so long

(It's been so long)  
I've been putting out fire  
(It's been so long)  
It's been so long, so long, so long  
Been so long, so long, so long  
Been so long, so long, so long  
Been so long, so long, so long  
Been so long  
Been so long, so long, so long  
(I've been putting out fire)  
Gasoline  
Been so long, so long, so long  
(I've been putting out fire)  
With gasoline  
Been so long, so long, so long  
I've been putting out fire  
Been so long, so long, so long  
Gasoline  
Been so long, so long, so long  
Been so long, so long, so long  
Been so long, so long, so long  
It's been so long  
Been so long, so long, so long  
(I've been putting out fire)  
It's been so long  
Been so long, so long, so long  
(I've been putting out fire)  
Been so long, so long, so long  
(I've been putting out fire)  
Been so long, so long, so long  
Been so long, so long, so long  
Been so long, so long, so long  
Been so long, so long, so long
