

You Give a Little Love

Paul Williams

We could have been anything that we wanted to be
And its not too late to change
We'd be delighted to give it some thought
Maybe you'll agree we really ought 2-3-4...We could have been anything that we wanted to be
Yes, that decision was ours
It's been decided
We're weaker divided
Let friendship double up our powersWe could have been anything that we wanted to be
And I'm not saying we should
I'd be delighted
A fact we take pride in
Let friendship double up our powers
You give a little love and it all comes back to you
Da da da da da da da
You know you're gonna be remembered for the things that you say and do
Da da da da da da da
You give a little love and it all comes back to you
Da da da da da da da
You know you're gonna be remembered for the things that you say and do
Da da da da da da da
