

# Travellin' In the Dark (To E.M.P.)

## Mountain

Can't see a thing  
Can't see a thing  
What you gonna do when you can't seem to understand?  
How you gonna feel when your woman's with another man?  
Can't see a thing  
Can't see a thing  
What makes you think that you're gonna ever understand?  
What's goin' on in the mind of another man?  
Can't see a thing  
Can't see a thing  
What you gonna do when you can't seem to understand?  
How you gonna feel when your woman's with another man?
