

# The Old Apartment

## Barenaked Ladies

Broke into the old apartment  
This is where we used to live  
Broken glass, broke and hungry, broken hearts and broken bones  
This is where we used to live Why did you paint the walls?  
Why did you clean the floor?  
Why did you plaster over the hole I punched in the door?  
This is where we used to live Why did you keep the mousetrap?  
Why did you keep the dish-rack?  
These things used to be mine  
I guess they still are, I want them back  
Broke into the old apartment  
Forty two steps from the street  
Crooked landing, crooked landlord, narrow laneway filled with crooks  
This is where we used to live Why did they pave the lawn?  
Why did they change the lock?  
Why did I have to break in? I only came here to talk  
This is where we used to live How is the neighbour downstairs?  
How is her temper this year?  
I turned up your T.V. and stomped on the floor just for fun I know we don't live here any more  
We bought an old house on the Danforth  
She loves me, her body keeps me warm and I'm happy here  
This is where we used to live Broke into the old apartment  
Tore the phone out of the wall  
Only memories, fading memories, blending into dull tableaux  
I want them back  
I want them back  
This is where we used to live  
I want them back  
This is where we used to live  
I want them back  
This is where we used to live  
I want them back
