

The Time of My Life

David Cook

I've been waiting for my dreams
To turn into something
I could believe in
And looking for that
Magic rainbow
On the horizon
I couldn't see it
Until I let go
Gave into love
And watched all the bitterness burn
Now I'm coming alive
Body and soul
Feelin' my world start to turn
And I'll taste every moment
And live it out loud
I know this is the time
This is the time to be
More than a name
Or a face in the crowd
I know this is the time
This is the time of my life
Time of my life
Holding onto things that vanished
Into the air
Left me in pieces
But now I'm rising from the ashes
Finding my wings
And all that I needed
Was there all along
Within my reach
As close as the beat of my heart
So I'll taste every moment
And live it out loud
I know this is the time
This is the time to be
More than a name
Or a face in the crowd
I know this is the time
This is the time of my life
Time of my life
And I'm out on the edge of forever
Ready to run
I'm keeping my feet on the ground
My arms open wide
My face to the sun
I'll taste every moment
And live it out loud
I know this is the time
This is the time to be

More than a name
Or a face in the crowd
I know this is the time
This is the time of my life
My life

More than a name
Or a face in the crowd
I know This is the time
This is the time of my life
This is the time of my life
the time of my life
the time of my life
