## The Time of My Life

## **David Cook**

I've been waiting for my dreams

To turn into something

I could believe in

And looking for that

Magic rainbow

On the horizon

I couldn't see it

Until I let go

Gave into love

And watched all the bitterness burn

Now I'm coming alive

Body and soul

Feelin' my world start to turn

And I'll taste every moment

And live it out loud

I know this is the time

This is the time to be

More than a name

Or a face in the crowd

I know this is the time

This is the time of my lifeTime of my lifeHolding onto things that vanished

Into the air

Left me in pieces

But now I'm rising from the ashes

Finding my wings

And all that I needed

Was there all along

Within my reach

As close as the beat of my heartSo I'll taste every moment

And live it out loud

I know this is the time

This is the time to be

More than a name

Or a face in the crowdI know this is the time

This is the time of my life

Time of my lifeAnd I'm out on the edge of foreverReady to run

I'm keeping my feet on the ground

My arms open wide

My face to the sunI'll taste every moment

And live it out loud

I know this is the time

This is the time to be

More than a name
Or a face in the crowd
I know this is the time
This is the time of my life
My life
More than a name
Or a face in the crowd
I know This is the time
This is the time of my life
This is the time of my life
the time of my life
the time of my life
