

Word Attack

Adolescents

I'm not paranoid - don't/they
No I'm not afraid - stop/won't
But I sometimes wonder - fight/win
What is on your mind - back

(Chorus:)

The gun in your hand is the gun at my head
The gun in your hand is the gun at my head
The gun in your hand is the gun at my head
The gun in your hand is gonna kill me dead

We'll attack, we'll attack

We'll attack, we'll attack

We'll attack, we'll attack

We'll attack, we'll attack

Got me running into walls - don't/they

Say good things - stop/won't

Say bad things - fight/win

Because you're unpredictable - back

(Chorus)

Do you wanna die - no

Do you wanna die - no

Do you wanna die - no

I don't wanna die

(Chorus)
