

# Kerosene

## Burn The Priest

I was born in this town  
Live here my whole life  
Probably come to die in this town  
Live here my whole life  
Never anything to do in this town  
Live here my whole life  
Never anything to do in this town  
Live here my whole life  
Probably learn to die in this town  
Live here my whole life  
Nothing to do, sit around at home  
Sit around at home, stare at the walls  
Stare at each other and wait till we die  
Stare at each other and wait till we die  
Probably come to die in this town  
Live here my whole life  
There's Kerosene around, something to do  
There's Kerosene around, she's something to do  
There's Kerosene around, she's something to do  
There's Kerosene around, we'll find something to do  
Kerosene around, she's something to do  
Kerosene around, set me on fire  
Set me on fire, Kerosene  
Set me on fire, Kerosene  
Set me on fire, Kerosene  
Set me on fire, Kerosene  
Set me on fire  
Kerosene around, something to do  
There's Kerosene around, find something to do  
There's Kerosene around, find something to do  
Kerosene around, find something to do  
Kerosene around, she's something to do  
Kerosene around, set me on fire  
Set me on fire, Kerosene  
Set me on fire, Kerosene  
Set me on fire, Kerosene  
Set me on fire, Kerosene  
Set me on fire  
Kerosene around, she's something to do  
Kerosene around, now what do we do?  
Jumped Kerosene, now what do we do?  
Jumped Kerosene, now what do we do?  
Kerosene around, nothing to do

Jumped Kerosene, now what do we do?  
Never anything to do in this town  
Never anything but jump Kerosene  
Never anything to do in this town  
Never anything  
Jump Kerosene  
Set me on fire, Kerosene  
Set me on fire, Kerosene  
Set me on fire, Kerosene  
Set me on fire, Kerosene  
Set me on fire
