

Heartbreaker

Enrique Iglesias

There's a line that you cross
When you've lost someone and you can't accept it
There's a space in between a denial
Knowing that I can't erase it, can't face it
She'll never be the one who's gonna find themselves
alone, no
She'll never be the one to bear the scars of what you've done
You're a heartbreaker, breaker
Tell me now
Why the hell you gotta be a heartbreaker, breaker
Leave me now
Why the hell you gotta be a heartbreaker
All the walls come down in the end
Nothing never lasts forever
There's a light up ahead, I know I'll get there
Each day can only make me stronger, make me stronger
She'll never be the one who's gonna find themselves alone
She'll never be the one to bear the scars of what you've done
You're a heartbreaker, breaker
Tell me now
Why the hell you gotta be a heartbreaker, breaker
Leave me now
Why the hell you gotta be a heartbreaker
Whatever it is, whatever it was
I know you've done this before
I say whatever it is, whatever it was
I just gotta let it go
You're a heartbreaker, breaker
Tell me now
Why the hell you gotta be a heartbreaker, breaker
Leave me now
Tell me, tell me
Why'd you go and break my heart?
Tell me, tell me
Why'd you go and break my heart?
You're a heartbreaker, breaker
Tell me now
Why the hell you gotta be a heartbreaker, breaker
Leave me now
Why the hell you gotta be a heartbreaker
