

Pretty Girls

Dierks Bentley

There ain't much to do here in this town
When the work is done and the sun goes down.
There's a place that we all go
Where it's two for one just to watch the show.
Yeah, me and the boys hangin' around
Hands in our pockets, gettin' lost in the crowd
Watchin' pretty girls drinkin' tall boys
Swingin' their hips to a country song
Silver cans up in the air
They're singin' along, singing' along
Ain't nothin' like gettin' right
Chasing a buzz with a cold bud light
Watchin' pretty girls drinkin' tall boys
Pretty girls drinkin' tall boys
Yeah
Yeah you oughta see them in summer time
They can't wait to show off those tan lines
Out at a cove that we all know
Where it's string bikinis and tied up boats
Out in the sun all gettin' baked
Me and the boys kickin' back in our shades
Watchin' pretty girls drinkin' tall boys
Swingin' their hips to a country song
Silver cans up in the air
They're singing' along, singin' along
Ain't nothin' like gettin' right
Chasing a buzz with a cold bud light
Watchin' pretty girls drinkin' tall boys
Pretty girls drinkin' tall boys
Yeah
Call me lazy, drunk, or crazy
But I ain't ever gonna move.
Nah, cause you can't beat this view.
Pretty girls drinkin' tall boys
Pretty girls drinkin' tall boys
Pretty girls drinkin' tall boys
Ya got my mind thinkin'
'Bout pretty girls drinkin'
Pretty girls drinkin' tall boys
Swingin' their hips to a country song
Silver cans up in the air
They're singin' along, singin' along
Ain't nothin' like gettin' right
Chasing a buzz with a cold bud light
Watchin' pretty girls drinkin' tall boys
Pretty girls drinkin' tall boys

Pretty girls drinkin' tall boys
Pretty girls drinkin' tall boys Pretty girls drinkin', pretty girls drinkin'
Pretty girls drinkin' tall boys
Got my mind thinkin'
'Bout retty girls drinkin'
Swingin' their hips to a country song
