Back to lull the minds  
Cries below  
Cries above  
You must pick a side Will you choose fear?  
Will you choose love?  
What does it look like  
This orbital ball From the fringes of the Milky Way?  
What does it feel like  
This orbital ball  
From the fringes of the Milky Way?  
Raining fla fla flavor  
Icing fla fla flavor  
Flavor... Love... Whose god then is God?  
They all want jur...  
Jurisdiction  
In the book of Earth Whose god spread fear?  
Spread love?  
What does it look like This orbital ball From the fringes of the Milky Way?  
What does it feel like  
This orbital ball  
From the fringes of the Milky Way?  
Raining fla fla flavor  
Icing fla fla flavor  
Flavor... Love...  
Turn up the frequency  
What does it look like  
This orbital ball  
From the fringes of the Milky Way?  
What does it feel like  
This orbital ball  
From the fringes of the Milky Way?  
Raining fla fla flavor  
Icing fla fla flavor  
Spread that fla fla flavor  
Flavor  
Flavor...
