

# Empty Space

## The Story So Far

All that I know  
Is your space is empty  
It's buried below  
The stress and the envy  
All the places I go  
It still hasn't left me  
I hated it then  
And now it consumes me I dwell on it nightly  
Tread swiftly and lightly  
Make up the lost ground  
And see what you don't see  
All questions aside  
I asked and you lied  
And now my hands are tied  
All I can show  
Is absence from your life  
That I can't control  
It's all that I get right  
Keep paying the toll  
I know that it seems like  
I'm always upset  
I know it seems like I'm always upset (I know it seems like I'm always upset) All that I know  
Is your space is empty  
It's buried below  
It still hasn't left me  
All that I know  
Is your space is empty  
It's buried below  
It still hasn't left  
I dwell on it nightly  
Tread swiftly and lightly  
Make up the lost ground  
And see what you don't see  
All questions aside  
I asked and you lied  
And now my hands are tied I dwell on it nightly  
Tread swiftly and lightly  
Make up the lost ground  
And see what you don't see  
All questions aside  
I asked and you lied

And now my hands are tied
