

# Elected

## Alice Cooper

I'm your top prime cut of meat, I'm your choice  
I wanna be elected  
I'm your yankee doodle dandy in a gold Rolls Royce  
I wanna be elected  
Kids want a savior, don't need a fake  
I wanna be elected  
We're all gonna rock to the rules that I make  
I wanna be elected, elected, elected.  
Good evening Mr & Mrs America and all ships at sea  
The candidate is taking the country by storm.  
I never lied to you, I've always been cool  
I wanna be elected  
I gotta get the vote, and I told you 'bout school  
I wanna be elected, elected, elected  
Hallelujah, I wanna be selected  
Everyone in the United States of America.  
We're gonna win this one, take the country by storm  
We're gonna be elected  
You and me together, young and strong  
We're gonna be elected, elected, elected  
Respected, selected, call collected  
I wanna be elected, elected.  
"And if I am elected  
I promise the formation of a new party  
A third party, the Wild Party!  
I know we have problems  
We got problems right here in Central City  
We have problems on the North, South, East and West  
New York City, Saint Louis, Philadelphia, Los Angeles, Detroit, Chicago  
Everybody has problems  
And personally, I don't care."
