

# Lifeline

Mat Kearney

You're watching everything you ever held on to  
Slip away from you  
And all you're running from  
Well, it's catching up to you Got you looking for a lifeline  
Swimming in the high tide  
Waiting for the daylight  
To bring you home The world is too big to never ask why  
The answers don't fall straight out of the sky  
I'm fighting to live and feel alive  
But I can't feel a thing without you by my side  
Send me out a lifeline  
You're watching everyone you ever belonged to  
Walk away from you  
Maybe all along you've been  
Running from the truth Got you looking for a lifeline  
You're swimming in the high tide  
Waiting for the daylight  
To bring you home Oh, the world is too big to never ask why  
The answers don't fall straight out of the sky  
I'm fighting to live and feel alive  
But I can't feel a thing without you by my side  
Send me out a lifeline There's nothing I would change  
I'd give it all away  
For you again and again and over again  
Everything I own is in your control  
Got you looking for a lifeline  
Swimming in the high tide  
Waiting for the daylight  
To bring me home The world is too big to never ask why  
The answers don't fall straight out of the sky  
I'm fighting to live and feel alive  
But I can't feel a thing without you by my side  
Send me out a lifeline Won't you send me out a lifeline  
Send me out a lifeline
