## **Change Your Mind**

## The Killers

Racy days, help me through the hopeless haze But my, oh my

Tragic eyes I can't even recognize myself behind

So if the answer is no

Can I change your mind?Out again, a siren screams at half past ten

And you won't let go

While I ignore, that we both felt like this

Before it starts to show

So if I had a chance

Would you let me know? Why aren't you shaking?

Step back in time

Graciously taking

Oh you're too kind

And if the answer is no

Can I change your mind?

We're all the same

And love is blind

The sun is gone

Before it shines

And I said if the answer is no

Can I change your mind?

If the answer is no

Can I change your mind?
