## **Lone Digger**

## **Caravan Palace**

Hey, brother, what you thinking?

Leave that old record spinning

You feel the rhythm, going

(They call it lonely digging)Let's end your time to lay low

Your knees a-bending, so

It's time to get up and let go

(You're gonna come undone) Hey, mama, how's it going?

Can't see your body moving

Don't leave the party dying

(They call it lonely digging) Your booty shaking, you know

Your head has no right to say no

Tonight it's "ready, set, go"

Baby can you move it round the rhythm

So we can get with 'em

Just a round get us a rock and roll round

Just a downtown body body coming with a super-hottie

Let's go, yes, no, hell no

Baby can you move it round the rhythm

Cause you know we're living in the fast lane, speed up

It ain't no game, just turn up all the beams when I come up on the sceneHey, brother, what you thinking?

That good ol' sound is ringing

They don't know what they're missing

(They call it lonely digging)Let's end your time to lay low

Your knees a-bending, so

It's time to get up and let go

Hey, brother, nice and steady

Put down your drink, you ready

It's hard when things get messy

(They call it lonely digging) Your booty shaking, you know

Your head has no right to say no

Tonight it's "ready, set, go"Baby can you move it round the rhythm

So we can get with 'em

Just a round get us a rock and roll round

Just a downtown body body coming with a super-hottie

Let's go, yes, no, hell no

Baby can you move it round the rhythm

Cause you know we're living in the fast lane, speed up

It ain't no game, just turn up all the beams when I come up on the sceneBaby can you move it round the rhythm

So we can get with 'em

Just a round get us a rock and roll round

Just a downtown body body coming with a super-hottie

Let's go, yes, no, hell no

Baby can you move it round the rhythm

Cause you know we're living in the fast lane, speed up

It ain't no game, just turn up all the beams when I come up on the scene
