

Stuck In the Middle With You

Louise

Well I don't know why I came here tonight
I've got a feelin' that somethin' ain't right
I'm so scared in case I fall off my chair
And I'm wonderin' how I'll get down the stairs
Clowns to the left of me, jokers to the right
Here I am, stuck in the middle with you
Yes, I'm stuck in the middle with you
And I'm wonderin' what it is I should do
It's so hard to keep this smile from my face
Losin' control, yeah, I'm all over the place
Clowns to the left of me, jokers to the right
Here I am stuck in the middle with you
Well you started off with nothin' and
You're proud that you're a self-made man, yeah
And your friends they all come crawlin'
Slap you on the back and say
Please...
Please...
Tryin' to make some sense of it all
But I can see there makes no sense at all
Is it cool to go to sleep on the floor
I don't think that I can take any more
Clowns to the left of me, jokers to the right
Here I am stuck in the middle with you
Stuck in the middle
Stuck in the middle
Clowns to the left of me, jokers to the right
Clowns to the left of me, jokers to the right
Stuck in the middle
Stuck in the middle
Clowns to the left of me, jokers to the right
Clowns to the left of me, jokers to the right
Here I am stuck in the middle with you
Well you started off with nothin' and
You're proud that you're a self-made man, yeah
And your friends they all come crawlin'
And slap you on the back and say
Please...
I say please...
Well I don't know why I came here tonight
I've got a feelin' that somethin' ain't right
I'm so scared in case I fall off my chair
And I'm wonderin' how I'll get down the stairs
Clowns to the left of me, jokers to the right
Here I am, stuck in the middle with you
Stuck in the middle with you

Oh, yeah
Stuck in the middle with you
Here I am
Stuck in the middle with you
With you, with you, with you...
