

# End of the Day

## One Direction

I told her that I loved her,  
was not sure if she heard  
The roof was pretty windy  
and she didn't say a word  
Party dying downstairs,  
had nothing left to do  
Just me,  
her and the moon I said you're on fire babe  
then down came the lightning on me  
Love can be frightening for sure  
All I know at the end of the day  
is you want what you want  
and you say what you say  
And you follow your heart  
even though it'll break sometimes  
All I know at the end of the day  
is you love who you love,  
there ain't no other way  
If there's something I've learned  
from a million mistakes  
You're the one that I want  
at the end of the day At the end of the day  
You're the one that I want  
at the end of the day  
She said the night was over,  
I said it's forever  
20 minutes later,  
wound up in the hospital  
The priest thinks it's the devil,  
my mum thinks it's the flu  
But girl it's only you I said you're on fire babe  
then down came the lightning on me  
Love can be frightening for sure All I know at the end of the day  
is you want what you want  
and you say what you say  
And you follow your heart  
even though it'll break sometimes  
All I know at the end of the day  
is you love who you love,  
there ain't no other way  
If there's something I've learned  
from a million mistakes

You're the one that I want  
at the end of the day When the sun goes down I know that you and me and everything will be  
alright

And when the city's sleeping  
You and I can stay awake and keep on dreaming  
You and I can stay awake and keep on dreaming All I know at the end of the day  
is you want what you want and you say what you say

And you follow your heart  
even though it'll break sometimes

All I know at the end of the day  
is you love who you love,  
there ain't no other way

If there's something I've learned  
from a million mistakes

You're the one that  
I want at the end of the day

At the end of the day

You're the one that  
I want at the end of the day

You're the one that  
I want at the end of the day
