

# Rock and Roll Doctor

## Little Feat

There was a woman in georgia didn't feel just right  
she had fever all day and chills at night  
now things got worse, yes a serious bind  
at times like this it takes a man with such style i cannot often find  
a doctor of the heart and a doctor of mind if you like country with a boogie beat he's the man to  
meet  
if you like the sound of shufflin' feet he can't be beat  
if you wanna feel real nice, just ask the rock and roll doctor's advice it's just a country town but  
patients come  
from mobile to moline from miles around  
nagadoches to new orleans  
in beat-up old cars or in limousines  
to meet the doctor of soul, he's got his very own thing two degrees in be-bop, a phd in swing  
he's the master of rhythm he's a rock and roll king  
if you like country with a boogie beat he's the man to meet (he's the man to meet)  
if you like the sound of shufflin' feet he can't be beat (i say he can't be beat)  
if you... if you wanna  
if you wanna feel real nice, just ask the rock and roll doctor's advice
