

Northern Downpour

Panic! At the Disco

If all our life is but a dream
Fantastic posing greed
Then we should feed our jewelery to the sea
For diamonds do appear to be
Just like broken glass
to me
And then she said she can't believe
Genius only comes along
In storms of fabled foreign tongues
Tripping eyes, and flooded lungs
Northern downpour sends
its love
Hey moon, please forget to fall down
Hey moon, don't you go down
Sugarcane in the
easy mornin'
Weathervanes my one and lonely
The ink is running toward the page
It's chasin' off the days
Look back at both feet
And that winding knee
I missed your skin when you were east
You clicked your heels and wished for me
Through
playful lips made of yarn
That fragile Capricorn
Unraveled words like moths upon old scarves
I know the world's a broken bone
But melt your
headaches, call it home
Hey moon, please forget to fall down
Hey moon, don't you go down
Sugarcane in the easy mornin'
Weathervanes my one and
lonely
Sugarcane in the easy mornin'
Weathervanes my one and lonely
Sugarcane in the easy mornin'
Weathervanes my one and lonely
Sugarcane (hey moon) in
(Hey moon) the easy mornin'
Weathervanes (hey moon) my
(Hey moon) one and lonely
Sugarcane(hey moon) in (hey moon)
The easy (hey moon) mornin'
Weathervanes (hey moon) my (hey moon)
One (hey moon) and lonely
Sugarcane (hey moon) in (hey moon)
The easy (hey moon) mornin'
Weathervanes (hey moon) my (hey moon)
One (hey moon) and lonely
Hey moon, please forget to fall down
Hey moon, don't you go down
You are at the top of my lungs
Drawn to the ones who never yawn...
