

Let the River Flow

[Donnie McClurkin](#)

Lead (starts first) Let the river flow
Let the river flow
Let the river flow
And refresh my soul Everyone Let the river flow
Let the river flow
Let the river Flow
And refresh my soul Flow living water?. Flow living water
The water of life
Flow living water?. Flow living water
Flowing over me
Let the river flow
Let the river flow
Let the river flow
And refresh my soul
