

# How High the Moon (feat. Imelda May) [Live]

Jeff Beck

Somewhere there's music  
How faint the tune  
Somewhere there's heaven  
How high the moon  
There is no moon above  
When love is far away too  
Till it comes true  
That you love me as I love you  
Somewhere there's music  
How near, how far  
Somewhere there's heaven  
That's where you are  
The darkest night would shine  
If you would come to me soon  
Until you will, how still my heart  
How high the moon  
Somewhere there's music  
How near, how far  
Somewhere there's heaven  
It's where you are  
The darkest night would shine  
If you would come to me soon  
Until you will, how still my heart  
How high the moon
