Marques Houston

(Ghetto angel)

Ghetto

(Ghetto angel)

Angel

(Ghetto angel)

Wassup

(Ghetto angel)Damn, my baby is so fine

And she always on the grind

She know she one of a kind

And she always say that what's hers is mine, my babyAnd vice versa what's mine is hers

She ain't faced by them other birds, yeah

She ain't never been much for words

Don't fuck around and get, get your feelings hurt

My baby is so

Ghetto

(Ghetto)

Angel

(Angel)

You'll know it when you see her

You can tell by her demeanor

She's myGhetto

(Ghetto)

Angel

She always got my back

And I guess I love the fact that she'sGhetto, oh, oh, angel, oh, oh, oh

And whenever things get deep

She's right there next to me, she's my

Ghetto angel

(My love)

Ghetto angel

(Get one)

Ghetto angel

(Oh)

Ghetto angelMy baby don't play no games

Said she's allergic to the lames

I'm in love with the way she's framed

And I'm talking 'bout her body

And our love is off the chain, listenShe got money but still the same

Not affected by all the fame

And like the ghetto from where she came

Ain't a damn thing change

That's why she's myGhetto
