Fences (Boombass Remix)

Phoenix

Fences in a row
Fences in a row
Wired and protected
In a rowIf only
Your necessary silhouette
Unknown, join the dissidentsGot carried away
Now hiding from their lies and discords
Once remembered now forgottenCome roll the dice for me
Roll the dice for me
Hold on better undone
If really on your own
Thinking this is fun?
Feathers fallen from the drapes
Fold her into pieces
Tied up and laceFences in a row
Fences in a row
Wired and protected
In a rowGot carried away
Thought I would've let you know
Did you miss a message?I know you still
Would rather mess with me than get going
She's been building up a castle in LARoll the dice for me
Hold on better undone
If really on your own
Thinking this is fun?
Feathers fallen from the drapes
Fold her into pieces
Tied up and laceFences in a row
Fences in a row
Wired and protected
In a row
