Up Around the Bend

John Fogerty

There's a place up ahead and I'm goin' Just as fast as my feet can fly Come away, come away if you're goin' Leave the sinkin' ship behindCome on the risin' wind We're goin' up around the bendBring a smile and a song for the banjo Better get while the gettin's good There's a place up ahead and I'm goin' Where the neons, it turns to wood Come on the risin' wind We're goin' up around the bendYou can ponder perpetual motion Fix your mind on a crystal day Always time for good conversation There's an ear for what you sayCome on the risin' wind We're goin' up around the bend Catch a ride to the end of the highway And we'll meet by the big red tree There's a place up ahead and I'm goin' Come along, come along with meCome on the risin' wind We're goin' up around the bend Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
