

When I Dream At Night

Marc Anthony

I have been in love
and been alone
I have traveled over many miles
to find a home There's that little place
inside of me
that I never thought could
take control of everything But now I just spend
all my time with anyone
who makes me feel
the way she does 'Cause I only feel alive
when I dream at night
even though she's not real
it's all right
'Cause I only feel alive
when I dream at night
every move that she makes
holds my eyes
and I fall for her every time I've so many things I want to say
I'll be ready when
the perfect moment
comes my way I had never known what's right
for me 'til the night
she opened up my heart
and set it free But now I just spend
all my time with anyone
who makes me feel
the way she does
'Cause I only feel alive
when I dream at night
even though she's not real
it's all right 'Cause I only feel alive
when I dream at night
every move that she makes
holds my eyes
and I fall for her every time Oh, ooh oh, oh ooh oh
Oh, ooh oh, oh ooh oh Now I just spend all my time
with anyone
who makes me feel
the way she does 'Cause I only feel alive
(only feel alive)
when I dream at night
(when I'm by your side)
