

Quiet in My Town

Civil Twilight

Today I heard that someone left this earth
That someone disappeared left no mark here
Today I heard that someone just got up and left himself
Lying on the ground Today is
Today is
Today is quiet in my town
Today is
Today is
Today is quiet in my town Today two boys disappeared without noise
And I wish that I was them flying somewhere overhead
And tonight in silence, two lovers hate and find
One is bored
One is angry
But neither one of them is right, oh
Today is
Today is
Today is quiet in my town
Today is
Oh, Today is
Today is quiet in my town Oh, somebody say something
Somebody say something
Somebody say something to me
Oh, someday say something
Someday say something cause I can't take this silence anymore
Anymore Today is
Today is
Today is quiet in my town
Today is
Oh, today is
Today is too quiet in my town
Today I heard the sound of birds and I wish that I was anywhere but here It's too quiet, too quiet
It's too quite, too quiet
It's too quiet (9x)
In my town, in here, in here, in here
It's too quite in my town Today is
Today is
Today is quiet in my town
Today is
Today is too quiet in my town Today is
Today is
Today is quiet in my town
