

# New Horizons

## Flyleaf

So you're tired but you're alive  
So open up your eyes and  
You can get your sleep when you are dead  
Kill the clock inside your head  
Bring your normal sea to the edge and watch it drown in new horizons  
New horizons You said I'd only have to wait until I die but that's in no time  
How did we come to thinking this was funny?  
Cheering and laughing at the dying,  
While we're riding the light in you. Wait, you said I'd only have to wait until I die, new horizons.  
There is no such thing as time inside this moment, no sun rising  
Wait until I fly, new horizons.  
Wait until I fly, new horizons.  
Sin with a conquest, lifeless.  
Sin with a new quest  
Here's a voice for the voiceless,  
And a song for the souless life of sin. Wait, you said I'd only have to wait until I die, new horizons.  
There is no such thing as time inside this moment no sun rising  
Wait until I fly, new horizons.  
Wait until I fly, new horizons. When the times keep going wrong when we go right  
When the times keep going wrong when we go right Wait.  
You said I'd only have to wait until I die, new horizons  
There is no such thing as time inside this moment no sun rising  
Wait until I fly, new horizons. Oh, wait until I fly, new horizons.  
Oh, with me? wait until I fly, new horizons.  
There is no such thing as time inside this moment, no sun rising.  
Wait until I fly  
When the times keep going wrong when we go right  
We go right
