

# I Need My Girl

## The National

I am good, I am grounded  
Davy says that I look taller  
I can't get my head around it  
I keep feeling smaller and smaller  
I need my girl  
I need my girl Remember when you lost your shit and  
Drove the car into the garden  
And you got out and said I'm sorry  
To the vines and no one saw it  
I need my girl  
I need my girl  
I'm under the gun again  
I know I was the 45 percenter then  
I know I was a lot of things  
But I am good, I am grounded  
Davy says that I look taller  
I can't get my head around it  
I keep feeling smaller and smaller  
I need my girl  
I need my girl There's some things that I should never  
Laugh about in front of family  
I'll try to call you from the party  
It's full of punks and cannonballers  
I need my girl  
I need my girl  
I'm under the gun again  
I know I was the 45% percenter then  
I know I was a lot of things  
But I am good, I am grounded  
Davy says that I look taller  
I can't get my head around it  
I keep feeling smaller and smaller  
I keep feeling smaller and smaller  
I keep feeling smaller and smaller
