

# Wait for Life (feat. Lana Del Rey)

## Emile Haynie

Why you make me work so hard to put on that evening show  
When you know that all I want is to make your money grow?

You're like a baby who don't got nowhere to go

I feel you eyeing me

You keep it on the low

But I can't let you in

And I can't keep you out

I wait for life to win

But it never comes around

And I can't hear you call

And I can't hear me shout

I wait for it to break

But it never comes around

And I'm lonely

I'm lonely

I'm lonely

Why you make me take that sh\*t to put on that evening show

When you know I don't need it?

Better than your version blow

You're like a baby, don't know better

You don't know

You drag me down, you try to keep it on the low

But I can't let you in

And I can't keep you out

I wait for life to win

But it never comes around

And I can't hear you call

And I can't hear me shout

I wait for it to break

But it never comes around

Feel like I'm falling apart

Feel like I'm falling apart

Feel like I'm falling apart

Would you tell me?

Would you tell me?

Would you tell me?

But I can't let you in

And I can't keep you out

I wait for life to win

But it never comes around

And I can't hear you call

And I can't hear me shout

I wait for it to break  
But it never comes around  
And I'm lonely  
I'm lonely  
I'm lonely
