## Get It

## **Grits**

if you can feel it feel it then get with it with it we stay witty with it so you can get it get itwe stay above average stay killin these tracks yo i stay off in the country but stay city with that so stay keeping yall guessin stay in higher demand stay true to who im repping steady movin ahead i stay original stay spritual never move outa line if you could read up in between i stays clear with mine since 89 i stayed straight no more livin off state the only bars i stay locked in now are 16 or 8 you wanna stay in the kitchen when grits is hot they bubble stay poppin out the top stay ready to tussle who wanna muscle flex context in combat with bone ill have you cryin to your mamma talking bout leave me alone mixed views misconstrued by the way that we present it send it out through verbal lessons herbal essence when we spit it if you hit you gone feel it and get addicted ill admit it the first times for free but the rest cost life get it bass how low can you go evangelic shatter false hope like a useless relic im an animal covered with hair insides mechanical guardin my heart like im botanical im snatchin satans mandible i damned him at best with random access forever banished when he left his lies vanished standing in the midst of chaos hours of praying and fasting began to pay off at times like these cant take a day off what i compete with i get street with my strange language bone crusing anguish pain cant be quenched or vanquished my anger rise up its ludicrous the way i throw dem bows and swell his eyes up aint that cute the honey pot that money got his hand in its funny how he think he got it on lock he just a stand in reprimandin rebuking til you understandin juke with reckless abandon you can get it

get it get it
we can get wild child
keep looking at me now
we can get wild child
you see exactly how
